I'd like to introduce myself — I'm Jo Juco and I have been appointed to escort you through the 1958-59 year at Joplin Junior College.

I don't think anyone was more excited than I to be moved to my new home here at J.J.C. There was much confusion as I packed all my belongings — faculty, books, and furniture — and readied myself for the move; but it was well worth it. Since my move at the beginning of the fall term, many interesting and history-making events have been staged.

You will find me leading you into each event. The story of your year here at Juco will be re-enacted for you in pictures.

The Crossroads Staff and I have tried to include each memorable event so that you may have a lasting record of the people and events that have played a part in your lives this year. Come along with me now as the curtain goes up on the 1958-59 year at Juco — featuring you, the student body, in the leading roles.

As you turn to this last page of your yearbook, we hope many happy memories have been recaptured for you. We sincerely hope that you have enjoyed, along with us, helping Jo Juco move into his new home.

This yearbook would not have been possible without the help of our two sponsors, Mrs. Margaret Jeffcott and Miss Venus Yount, and the entire Crossroads staff.
